

What has been your experience with pressure injuries (bed sores)? Research Study

We are interested in exploring the needs of healthcare professionals and caregivers who are looking after individuals with a current or past history of pressure ulcers, also known as a bedsore OR care recipients who have/had a pressure injury. Your participation is voluntary.

Subject eligibility:

- Are a healthcare practitioner (i.e. nurse, OT, PT, etc.) who takes care of individuals with a current or past history of pressure ulcer **OR** an informal (unpaid) caregiver of someone with a current or past history of pressure ulcer **OR** a care recipient with a current or past history of a pressure ulcer
- The ability to speak and understand English

What does the study involve?

- Participating in a 1-2 hour semi-structured interview speaking about your personal experience as a healthcare practitioner or caregiver caring for an individual with a pressure ulcer, or care recipient living with or a past history of a pressure ulcer

Where will the study take place?

- The interview will take place online or over the phone
